

Taft Street Sauvignon Blanc

This Russian River Valley Sauvignon Blanc is refreshingly crisp, the bouquet perfumed with hints of green apple and white peach. A fine mineral edge frames citrus flavors of key-lime and grapefruit, while lively acidity provides a polished, lingering finish.

VINIFICATION

The wine was cold fermented in stainless steel tanks in order to maintain the high fruit profile and to preserve and develop the esters and thiols that are characteristic of Sauvignon Blanc.

VINEYARD LOCATION

The grapes for this wine come from two distinct Russian River Valley vineyards; the Leras vineyard off of River Road and Hopkins River Ranches on Eastside Road.
